

Registration of refugees from Ukraine at the Residents' Registration Office:

The Residents' Registration Office in Ebingen Town Hall is open again at the usual times since 14.03.2022. In order to prevent long waiting times, we offer Ukrainian refugees the arrangement of appointments besides the regular opening hours (Monday, Tuesday and Wednesday in the afternoon). Appointments can be made immediately by telephone on 07431/160-2222. A FFP2 mask must still be worn at the appointments.

Holiday offers during the Easter holidays

Dear children,
Dear Parents,

The Easter holidays are just around the corner and in these extraordinary and difficult times we would like to create beautiful experiences for you.

A varied holiday program is planned from Tuesday, April 19 to Friday, April 22, 2022 - an offer that will be attended by both refugee and local children and young people.

Various program items take place during the holiday week. It doesn't matter whether your children prefer to spend time in nature, let off steam in the kitchen, let their creativity run free or simply want to experience something completely new - there is something for everyone.

Please register your child by Wednesday, April 13, 2022 at the latest by email at jugendarbeit@albstadt.de or by phone on 07431 56983 with your name, age, telephone number and the number of the offer.

We would like to take this opportunity to wish all children, young people and parents a healthy Easter holiday, a relaxing time and, of course, lots of fun, beautiful encounters and unforgettable experiences in the Easter holidays.

Many greetings
The volunteers of the city of Albstadt and the Albstadt Children and Youth Office
